On Thursday, 4 March 1976 at 4:00 P.M., the Faculty Senate held its regular meeting in the Library Science Reading Room of the Rohrbach Library, Chairman Goldberg presiding.

Present were Senators: Prof. Clarence Arnold, Prof. Dennis Bonser, Prof. James Brasted, Dr. Frank Bucci, Dr. Robert Buckalew (for Prof. Henriette Engelson), Prof. George Burwell, Dr. Dodson Dreisbach, Prof. Frances Dreisbach, Prof. Patrick Duddy, Prof. John Erdmann, Prof. Andrew Felkay, Prof. Earnest Foust, Dr. Claire Gilles, Dr. Gordon Goldberg, Prof. Curt Goldstaub, Dr. John Grossman, Dr. James Hershberger, Dr. Dalton Hunkins, Prof. Maurita Jaycox (for Dr. Dorothy Moyer), Prof. William Kanasky, Prof. Fredrick Keller, Prof. Milton Kern (for Dr. William Marsh), Dr. Raymond Lucas, Dr. Gilbert McKlveen, Prof. Patricia Ori, Prof. Joseph Patton, Dr. J. Allen Pawling, Prof. Allen Schutt, Prof. John Scott, Prof. Rosemarie Sloat, Dr. Ruth Stickney, Prof. Laree Trollinger, Dr. Roger Whitcomb, Dr. William Worrell; Student Representative Lisa Augustine; and Dr. Paul Drumm, guest. Absent were: Dr. Richard Law and Gail Robinson.

I. APPROVAL OF THE MINUTES OF THE LAST MEETING

The following changes were necessary in the minutes of the meeting of 5 February 1976. In the list of Senators present, there is one correction: Prof. Keller's first name is Fredrick not Frank; and there are two additions: the names of Prof. John Erdmann and Dr. William Worrell should be added to the list. Part I, line 4 should read: "change Ed 570 to Ed 574." Part II, A. 1.2 should read: 4 March 1976. The Secretary, in a discussion with Dr. Bucci, established that the amendment to The Key in IV. A. 1 of the minutes did not say what the students had intended it to say but instead limited the choice of counsel to a member of the college community who happened to be present at the hearings. In order not to have the restriction, the students' amendment needs the following change: the addition of a comma after "community" in line 3. There being no further changes, the minutes of 5 February stood approved as corrected and amended.

II. ANNOUNCEMENTS

- A. Dr. Goldberg announced that the next regular meeting of the Faculty Senate will be on Thursday, 1 April 1976, at 4:00 P.M. in the Library Science Reading Room of the Rohrbach Library.
- B. The Chairman thanked the Senators who attended the SCUD meeting.
- C. He also said that all Senators who have now served two consecutive terms and are therefore not eligible for re-election should inform Dr. Hunkins.

III. REPORTS FROM SENATE COMMITTEES

- A. Prof. Frances Dreisbach, Chairwoman of the Faculty Senator's Ad Hoc Committee on Campus Governance, gave a general background on the eleven months of work done by the Committee (Dr. Richard Close, Dr. Constance Dent, Prof. John Frederick, Dr. Dalton Hunkins, Prof.

Fredrick Keller, Dr. Dennis Roth, and Dr. Walter Warzeski). Since the Committee's report was not available until Monday, 1 March 1976, any action by the Senate will come at the April meeting.

- B. Prof. Laree Trollinger, Chairwoman of the Faculty Senate's Committee on Faculty Affairs, reported that the Committee is still gathering information on the parking problems and possible solutions to them. Dr. Goldberg said that there was an error in the proposal which came from the Student Government Board (see minutes of 6 March 1976, IV. A. 2): the parking lots involved are Lots A, K, and I, not "A, H, and I" as the original statement said.
- C. Prof. Arnold, Chairman of the Faculty Senate's Curriculum Committee, reported that it was the consensus of the members present at the meeting on 26 February 1976 that the Committee would go on record "in favor of a new procedure to facilitate the offering of one-semester courses of immediate interest." Prof. Arnold read the report which had been distributed to members of the Committee. Dr. Goldberg asked Prof. Arnold to send the full report to him for forwarding to Dr. Dreisbach, Chairman of the College Curriculum Committee.

IV. OLD BUSINESS

Prof. Dreisbach moved that the Bachelor of Arts in Social Welfare, tabled at the February meeting, be removed from the table. After Dr. Gilles's second, the motion passed. In a written statement to Dr. Goldberg, Dr. Tinsman offered the following amendment to the proposal which had been tabled: in the major program, 33 semester hours instead of 27-33; in social welfare electives, 9 semester hours instead of 3-9; and in concomitant courses, 20 semester hours instead of 20-26. Prof. Dreisbach moved to accept the proposal for the Bachelor of Arts in Social Welfare, as amended. Following Dr. Lucas's second, the motion carried.

V. NEW BUSINESS

- A. Proposal to consider a weekly free period for meetings

On the matter of the weekly free period for meetings, the Senate heard from Prof. Erdmann, Dr. Bucci, and Dr. Dreisbach, who explained that in the fall of 1975 the Calendar Committee had placed in the Faculty Brief a notice about the weekly free period and had invited comment from the faculty; that many commuters, who comprise about sixty per cent of the student body, had complained that it was impossible for them to attend meetings scheduled late in the day or in the evening; and that, since scheduling is an administrative matter, it was a courtesy when the Administration asked the Calendar Committee to consider the weekly free period. Dr. Bucci added the suggestion that the Faculty Senate might want to consider how the free period is to be used.

- B. Curriculum Committee Business

Dr. Dreisbach then presented the following recommendations

from the Curriculum Committee and moved the acceptance of each item:

1. Special Education 2--, Special Class Methods (3 s.h.). Following Dr. Buckalew's second, the motion carried.
2. Special Education 2--, Reading and Other Language Arts for Exceptional Children (3 s.h.). After Prof. Patton's second, the motion carried.
3. Special Education 3--, Psychology of the Mentally and Physically Handicapped (3 s.h.). After Dr. Buckalew's second, the motion carried.
4. Special Education 3--, Curriculum Development for the Mentally and Physically Handicapped (3 s.h.). Following Dr. Pawling's second, the motion passed.
5. the entire revised program submitted by the Department of Fine Arts. Dr. Grossman seconded the motion. Prof. Sloat moved to amend the program by removing Art 3--, Human Anatomy for the Artist, from the program so that the proposal for the course can be returned to the Department and rewritten. After Prof. Keller's second, the amendment passed. The original motion then passed as amended. The courses approved in the amended program are as follows:
